God was with Joseph

Talk About the Scripture at Home

Jacob had 12 sons, can you imagine having 11 brothers or sisters?! Even though Joseph had so many brothers, he was his dad's favorite and this made his brothers really jealous. One day his dad gave him a beautiful colorful robe. His brothers got really mad because they didn't one, only Joseph did! Wouldn't you be upset if your parents gave your brother, or sister, something really cool and you didn't get anything? That's how they felt! Joseph started having dreams when he fell asleep, God was showing him that he would have power one day! But these dreams made his brothers so mad that they couldn't take it any more. They were overcome with jealousy and anger and one day when they were out in the fields they took Joseph and threw him in a well! A little while later, some traders were coming by and they sold Joseph to them. When they went home they lied and told their dad that Joseph was killed by a wild animal. It might seem like God wasn't with Joseph, but that couldn't be farther from the truth! God was with him and working in all of Joseph's circumstances. Next week we will find out just how much God was present with Joseph when it seemed like he was all alone!

***Pray:** God, help us to see that you are with us, even when we feel alone. Thank you for loving us and for all the blessings you have given us. Help us to feel your presence with us in the good times and in the hard times. We love you, God. Amen!*

Memory Verse
