### **Christ Connection**

God rescued Noah and his family from the flood. Later, there was an even greater rescue! Jesus came to save people from sin. When we trust in Jesus, He saves us from the punishment for our sin.

### **Big Picture Question**

What does it mean to sin? To sin is to go against God and His commands.

### **Talk About the Scripture at Home**

When God told Noah to build a big boat called an ark, it must have seemed like a pretty challenging command. The ark Noah was to build was going to be huge. And he had to build this giant boat with just the help of his family. That's a lot of work that would take a long time. But there was a reason for it all. God was ready to send out His punishment for the sin that had spread across the whole world. Everything had been infected by sin, and therefore everything would be destroyed. Everything, that is, except Noah, his family, and the animals inside the ark. Because they were inside the ark, they were saved from the flood. God showed His overwhelming love and kindness by giving them this way to be saved from the punishment of sin. And he showed other people the same kind of kindness by giving them the opportunity to turn from their sin while Noah took all of that time to build the ark. God has shown us the same overwhelming love by sending Jesus to save us from our sin. Romans 8:1 says, "There is therefore now no condemnation for those who are in Christ Jesus." We can escape God's judgment against sin only through faith in Jesus Christ. Like Noah and his family found safety inside the ark, we find our hope and salvation in Jesus.

**God rescued Noah and his family from the flood. The story of Noah points ahead to a greater rescue. God's Son, Jesus—the only perfectly righteous One—came to take the punishment for our sin. By trusting in Him, we are saved from the punishment our sin deserves.**

*Pray: God, You promised Noah safety in the ark, and You promise us eternal salvation in Jesus. Help us to remember that You always keep Your promises.*
