God saved them from the fire

Talk About the Scripture at Home

King Nebuchadnezzar's army had defeated the Israelites. Now he was their ruler. King Nebuchadnezzar built a golden statue and made a law that everyone must bow down to the statue when the music plays. The rule said that those who disobeyed would be thrown into the fiery furnace.

The music began to play and the people bowed down and worshiped the golden statue. Everyone bowed down besides Shadrach, Meshach, and Abednego. They said, "We only worship the true God." King Nebuchadnezzar was mad! He had the three men thrown in the fiery furnace and was so mad that he even made it extra hot!

King Nebuchadnezzar looked in the furnace and saw not only three people, but what looked like four men walking around! The fourth man looked like an angel from God. The king shouted to the men, "Come out! Your God has saved you!" The fire did not hurt them. They didn't even smell like smoke! The king was amazed and made them rulers in his kingdom!
